INTRODUCTION

MNM Khidmat Elektrik Sdn. Bhd. an engineering management and contracting company, was established and registered in November 1990. The company, in collaboration with its associates, commenced business operation in 1992 and has been actively involved in engineering management and contracting both in the public and private sectors.

This is a Bumiputra Private Limited Company with two (2) partners who are actively involved in the management of the company.

The company comprises of experienced and qualified professional partners and associates, and is supported by diligent staffs, who have many years of proven track records in their respective job functions.

MNM Khidmat Elektrik Sdn Bhd has over the past years built up the track record of performance in the field electrical supervision and management and maintenance services and have a formidable list of clients, which is constantly growing. We have built a team comprising mainly of competent personnel to handle our growing business volume.

REGISTRATIONS

MNM Khidmat Elektrik Sdn. Bhd. is currently registered with the following bodies or organisations:-

- a) Pusat Khidmat Kontraktor (PKK) : Class I, Head VII
Sub-Head - 1, 2, 3, 4, 5, 7, 8, 9, 10a, 10b, 11, 12, 13, 14, 15, 16***
- b) Suruhanjaya Tenaga (ST) : a. Class A - Electrical Contractor
b. Electrical Services Engineers (Up to 275 KV)
c. Competent Electrical Engineer (Nil Restriction)
- c) Lembaga Pembangunan Industri Pembinaan Malaysia (CIDB) : Grade G5, ME - E04, E05, M01, M02, E06, E07, E09
- d) Kementerian Kewangan Malaysia (KKM) : Services under the following sub-heads:-
030100, 040200, 100200, 180100, 210105, 220101, 220102, 220104, 220109, 220110, 220113
- e) Tenaga Nasional Berhad (TNB) : Work Contractor
Head I, Sub-Head VII
Sub-Head - 1, 2, 3, 4, 5, 7, 8, 9, 10a, 10b, 11, 12, 13, 14, 15, 16***

Supplier & Services Contractor
030100, 040200, 100200, 180100, 210105, 220101, 220102, 220104, 220109, 220110, 220113
- f) Petronas : SC3 - 02, SM1- 02 , 02.1 & 02.2, SM4 - 02 & 02.2, PO1 - 12.1 & 12.2
- g) Celcom (M) Sdn Bhd : A, A9, A9.1, A9.7, A9.11, C, C7, C7.3, C7.8, D, D3, D3.1, D3.1.1, D3.3, D3.4.

JOB HIGHLIGHTS

The many service and job undertaken by the company since its inception varies in size and kind. Most works/jobs were implemented and carried out successfully through the concerted efforts of all partners concerned.

The electrical contracting and servicing ranges from high voltage (H.V.) and low voltage (L.V.) substations, housing estates, offices, shops, factories, hotels to multi-storey high-rise buildings.

While the electrical supervision and management services varies from industrial buildings, factories, condominiums, hotels, recreational outlets to high-rise buildings.

MNM Khidmat Elektrik Sdn Bhd is licensed by the Suruhanjaya Tenaga Malaysia to carry out the following:-

- Supervision and competent control of electrical installations up to 275 kV and
- Testing, commissioning and maintenance of electrical installations up to 275 kV.

The accompanying pages highlight the various services offered or some of the major projects undertaken by the company.

SCOPE OF SERVICES

MNM Khidmat Elektrik Sdn. Bhd. offers comprehensive contracting and management services in electrical and electro-mechanical engineering to both the public and private sectors. Services offered are briefly as follows :-

- i. Electrical Supervision and Competent Control :
 - Factory and industrial buildings
 - High rise buildings
 - Condominiums
 - Hotels
 - Theme parks and recreational outlets
 - Hospitals
- ii. Electrical Contracting and Management Services :
 - M&E engineering consultancy services
 - Protection coordination studies of electrical systems
 - On-line condition monitoring of electrical systems
 - Power quality audits and energy management
 - Electrical safety audit
 - UPS and standby generators
 - Lighting protection systems
 - Lighting, power and electrical distribution systems in buildings.
 - High masts and yard lighting systems
 - High Voltage and Low Voltage electrical systems
 - Transformer repair and oil purification
 - Skilled manpower training
- iii. Electro-Mechanical Engineering :
 - Fire-Fighting and prevention systems
 - Air-Conditioning
 - Instrumentation and control systems.
